Advisory to State Governments/Union Territories: Model Framework for Guidelines on Direct Selling

These guidelines, may be called the Direct Selling Guidelines 2016. These are issued as guiding principles for State Governments to consider regulating the business of “Direct Selling” and Multi-Level Marketing (MLM) and strengthen the existing regulatory mechanism on Direct Selling and MLM, for preventing fraud and protecting the legitimate rights and interests of consumers.

Clause 1. Definitions:

In these Guidelines unless and otherwise required:

1. “Act” means the Consumer Protection Act, 1986 (68 of 1986);
2. “Consumer” shall have the same meaning as provided under the Consumer Protection Act, 1986;
3. “Prospect” means a person to whom an offer or a proposal is made by the Direct Seller to join a Direct Selling opportunity;
4. “Direct Seller” means a person appointed or authorized, directly or indirectly, by a Direct Selling Entity through a legally enforceable written contract to undertake direct selling business on principal to principal basis.
5. “Network of Direct Selling” means a network of direct sellers at different levels of distribution, who may recruit or introduce or sponsor further levels of direct sellers, who they then support:

Explanation: “network of direct selling” shall mean any system of distribution or marketing adopted by a direct selling entity to undertake direct selling business and shall include the multi-level marketing method of distribution.

6. “Direct Selling” means marketing, distribution and sale of goods or providing of services as a part of network of Direct Selling other than under a pyramid scheme,

Provided that such sale of goods or services occurs otherwise than through a "permanent retail location" to the consumers, generally in their houses or at their workplace or through explanation and demonstration of such goods and services at a particular place.

7. "Direct Selling Entity", means an entity, not being engaged in a pyramid scheme, which sells or offers to sell goods or services through a direct seller.

A multi layered network of subscribers to a scheme formed by subscribers enrolling one or more subscribers in order to receive any benefit, directly or indirectly, as a result of enrolment, action or performance of additional subscribers to the scheme. The subscribers enrolling further subscriber(s) occupy higher position and the enrolled subscriber(s) lower position, thus, with successive enrolments, they form multi-layered network of subscribers.

Provided that the above definition of a "Pyramid Scheme" shall not apply to a multi layered network of subscribers to a scheme formed by a Direct Selling Entity, which consists of subscribers enrolling one or more subscribers in order to receive any benefit, directly or indirectly, where the benefit is as a result of sale of goods or services by subscribers and the scheme/financial arrangement complies with all of the following:
